

*Leadership is one of those responsibilities
for which society is least equipped to prepare us.*

Yet, here you are, a leader.

INTRODUCING THE CONGRUENT LEADERSHIP WORKSHOP

May 9, 2009 • 8 AM to 5 PM

Southwoods Christian Church, 16110 Metcalf, Overland Park, KS 66085

Congruence: rooted in the Latin word *congruere* which means *to run together*.

Who should attend: ministers, pastors, priests, rabbis, deacons, lay-ministers, those who play a leadership role in your church, parish or synagogue. You will be joined by leaders like you from around the Kansas City area.

Congruence is a term we rarely hear, but in truth, it represents a highly performing operating state to which we all aspire – as individuals and teams, as executives and organizations, whether appointed or called. Invest one day in the Congruent Leadership Workshop and you'll learn how to move towards that state of high performance. As a congruent leader, you will contribute to forging a *congruent congregation* better prepared to fulfill its mission.

- Learn how to assess the qualities and talents that shape leadership.
- Learn about the power of correct thinking and self-responsibility.
- Learn to understand the role emotion and instinct play in leadership.
- Learn how the metaphor of the pebble and the ripple can help you shape and enhance your performance as a leader.
- Learn how to run together – as an individual with all your faculties working in concert, and as a team with all your members running as one.

While these ideas appear abstract, this workshop makes their application entirely practical. In just eight hours, you'll learn how to employ them immediately in your role as a minister, executive or leader.
